# CAMPGROUND RULES/REGULATIONS

"BARN IN THE USA"

WELCOME FAIR GOERS! I have highlighted a few important subjects for all to read as you register for Othello Fair. Hopefully this answers some common questions that we get each year.

- Quiet time each evening **10pm to 5am.**
- Generators can run from **5am to 10pm.**
- We have 113 power spots available, once those are reserved, we have unlimited dry camping spots.
- Due to Adams County Fire Code propane fireplaces/firepits allowed only – **NO WOOD FIRES!**
- Only service animals are allowed into the fair, however we have allowed dogs in the campground previously. If you **MUST** bring your dog, please adhere to the following:
  - ALL dogs must always either be tied up, on a leash, or in a crate.
  - Dogs **CANNOT** leave the campground unless they are a service dog.
  - If there are **ANY** complaints about your dog, you will be asked to remove the dog from the premises.
- Parking:
  - **ALL** vehicles must have a back-gate parking pass to come through the back gate. (\$8.00 each)
  - **MAX speed is 10MPH** – anyone going too fast or reckless will have their back-gate parking pass revoked and be asked to park in the north parking lot only.
  - **ABSOLUTELY NO PARKING AT ANY CAMPER AT ANY TIME – PER FIRE CODE** – there will be a tow truck available to remove any vehicles parking in areas where they are not permitted!
  - You will have 10 minutes to drive to your camper to unload items (groceries, equipment, etc.)
  - There is a designated parking area – use it.
